UNNECESSARY SUFFERING.
There is little doubt but that many per-
sons suffer for years with ailments that
could easily be cured by the use of some
simple remedy. The following incident is
an illustration of this fact: My wife was
troubled with a pain in her side the greater
part of the time for three years, until cured
by Chamberlain's Pain Balm. It has, I
think, permanently cured her. We also
have used Chamberlain's Cough Remedy
whenever needed and believe it to be the
best in the world. P. M. Boston, Pennville,
Sullivan Co., Missouri. For sale by Z. C.

NOT A POISONOUS FACE BLEACH.
But a true beautifier, being the only pre-
paration sold under a positive guarantee of
\$1000 that it contains not a grain or fraction
thereof of poisonous or deleterious sub-
stance. Indorsed by the most celebrated
artists of the lyric and dramatic stage;
recommended by eminent physicians, and
pronounced harmless by leading chemists—

SPARKLING IDANHA.
A Subject that the Congress Will Investi-
gate.

Water, in all its forms and varieties, will
be discussed by the Irrigation convention
now in session. Probably there is not a
member of the congress who has not heard
of, if he has not tasted—Idanha, but all of
them may not know that that celebrated
water comes from Soda Springs, only a
short distance from Salt Lake, and that the
offices and headquarters of the company are
located here. Between sessions to-day and
to-morrow we recommend the congress to
call for Idanha, the purest, sparkling, best
medicinal and most invigorating drink in
the world. Once tasted, and you will
never be without it.
